BHP Billiton Nickel West Pty Ltd's application for a water services licence

Publication of submissions

The Economic Regulation Authority recently released for [public comment](#) an application from BHP Billiton Nickel West Pty Ltd for a water services licence to provide drinking water and sewerage services to the town of Leinster, located approximately 370 kilometres north of Kalgoorlie.¹

BHP has been supplying and maintaining drinking water and sewerage services at Leinster since 2005. The Leinster water and sewerage schemes service 280 residential and 10 commercial customers.

The ERA received two submissions from the Department of Health and the Department of Water and Environmental Regulation. The submissions have been published on the ERA [website](#).
