Muchea Water

Public consultation on application to amend water services licence WL51

The Economic Regulation Authority is seeking public comment on an application by Aqua Ferre (Muchea) Pty Ltd (trading as Muchea Water) to amend the [operating area](#) of water services licence [WL51](#).

Muchea Water provides potable water services to residential customers in the Riverside Development and to commercial allotments in the Muchea Employment Node Development.

Muchea Water is seeking to expand its existing operating area to include additional lots alongside the pipeline on the Western side of Reserve Road and on the Eastern side of Great Northern Highway.

Further details are in Muchea Water's [proposed new operating area map](#).

Invitation for submissions

The ERA invites interested parties to make submissions on Muchea Water's licence amendment application.

Submissions close 4:00 pm (WST) Wednesday, 7 October 2020.

Submissions should be lodged online using the form on our website www.erawa.com.au/consultation.
