2020-21 Review of the *Gas Marketing Code of Conduct*

The Gas Marketing Code Consultative Committee (GMCCC) invites public comment on its 2020 review of the *Gas Marketing Code of Conduct*.

The GMCCC is a statutory committee appointed by the Economic Regulation Authority. The *Energy Coordination Act 1994* requires the GMCCC to undertake a review of the Code every two years and provide a report to the ERA.

The Act states the purpose of the Code is to:

...regulate and control the conduct of gas trading licences and gas marketing with the object of protecting customers from undesirable marketing conduct and defining standards of conduct in the marketing of gas to customers.

The GMCCC has released a [Draft Review Report](#) which recommends some changes to the Code. The GMCCC invites submissions on the recommendations and any other matters relevant to the Code.

Submissions addressed to Mr Jason Dignard, A/Chairman GMCCC are due by 4:00 pm **Friday, 22 January 2021**.
