## Wesfarmers Kleenheat Gas Pty Ltd

### Decision to renew gas trading licence GTL10 and approve amended standard form contract

The Economic Regulation Authority has renewed Wesfarmers Kleenheat Gas Pty Ltd's gas trading licence GTL10 and approved its amended standard form contract.

Kleenheat sells natural gas via ATCO Gas Australia's gas distribution systems in the Coastal supply area, and liquified petroleum gas in Albany (Oyster Harbour) and Margaret River (Riverslea and Rapids Landing) through its own gas distribution systems.

As at 30 June 2020, Kleenheat supplied just under 204,000 residential and business customers.<sup>1</sup>

Kleenheat applied to the ERA on 1 June 2021 to renew GTL10, which was due to expire on 5 September 2021.

GTL10 has been renewed from 10 July 2021 for 10 years.
