NOTICE

This is to advise that I have today issued a Final Approval for the revised Access Arrangement for the Mid-West and South-West Gas Distribution Systems lodged by AlintaGas on 13 July 2000.

The Mid-West and South-West Gas Distribution Systems include natural gas reticulation areas in the Geraldton, Eneabba, Perth metropolitan, Harvey, Bunbury and Busselton regions.

The Final Decision required AlintaGas to make 44 amendments, which have now been incorporated within the revised Access Arrangement.

A copy of the Final Approval (\$10), and the revised Access Arrangement and Access Arrangement Information (\$25) can be obtained from the Office of Gas Access Regulation at the fees indicated. The documents can, however, be downloaded from the Internet at (<http://www.offgar.wa.gov.au/>) free of charge.
