

## **NOTICE**

### **APPLICATION RECEIVED FOR ELECTRICITY GENERATION LICENCE**

**19 December 2006**

The Economic Regulation Authority is assessing an application from Eneabba Energy Pty Ltd for a licence to generate electricity through its Centauri 1 power station, which is eight kilometres east of Dongara in the Mid West region.

The company made the application on 11 December 2006.

The Authority is responsible for licensing electricity supply services in Western Australia (under the *Electricity Industry Act 2004*) and must take all reasonable steps to decide on the application within 90 days of it being made.

This is subject to the Authority being satisfied that it would not be contrary to the public interest to do so if it is satisfied that the applicant:

- a) has, and is likely to retain; or
- b) will acquire within a reasonable time after the grant, and is then likely to retain,

the financial and technical resources to undertake the activities authorised, or to be authorised, by the licence.

The information as provided by the applicant is attached.
