Dear Paul,

## **PROPOSED SYNERGY GAS STANDARD FORM CONTRACT – PUBLIC CONSULTATION**

WorleyParsons Asset Management Pty Ltd (WAM) welcomes the opportunity to comment on Synergy's Standard Form Contract (SFC) as part of its application for a gas trading license.

WAM is pleased to contribute to the Authority's consideration of the matter.

As a general comment, WAM wish to highlight that the Marketing Code mentioned in the SFC is likely to be repealed and a new Gas Marketing Standard may be introduced, following a review by the Authority's Gas Marketing Code of Conduct Committee.

WAM's other comments are as follows:

- It would be helpful to include some brief description regarding the key responsibilities of the Network Operator and Retailer and respective company name.
- Section 6.3 – no information on GST component payable on the supply of gas to customer.
- Section 15.2 – reference to Gas Industry Ombudsman should be changed to Energy Ombudsman.

If you or your officers would like to discuss further on the issues raised, please contact our Business Manager, Mr Lawrence Teo, on (08) 92788386.

Yours faithfully,  
WorleyParsons Asset Management Pty Ltd

John Ovenden  
General Manager
