

NOTICE

Origin Energy Gas Standard Form Contract

Publication of Submission Received

The Economic Regulation Authority today published a submission received from the Western Australian Council of Social Service Inc (WACOSS) in response to Origin Energy's proposed Gas Standard Form Contract.

The [WACOSS submission](#) was the only one received following the Authority's release of the company's proposed Standard Form Contract for public consultation on 21 May. The consultation period closed on 13 June.

Under Section 11WE of the *Energy Coordination Act 1994*, the Authority must approve the proposed Standard Form Contract setting out the terms and conditions under which the applicant proposes to sell gas before a trading licence can be granted.

The Authority will consider whether the proposed contract meets the requirements of the Energy Coordination (Customer Contracts) Regulations 2004, other relevant legislation and licence conditions.

A copy of the proposed Standard Form Contract is available on the Authority's [web site](#).
