NOTICE

Goldfields Gas Pipeline

NED'S CREEK EXPANSION EXCLUDED FROM COVERAGE

Goldfields Gas Transmission Pty Ltd (GGT), the operator of the Goldfields Gas Pipeline (GGP), has notified the Economic Regulation Authority in a letter published on our [web site](#) that it has elected to exclude from coverage under the *National Third Party Access Code for Natural Gas Pipeline Systems* additional capacity created by the installation of a compressor station at Ned's Creek.

The station is scheduled to be online in August 2009.

The notification was made before the additional pipeline capacity has come into operation, as required under the current access arrangement for the GGP.

In October 2006 and April 2009, GGT made similar elections to exclude the coverage of new compressors at Paraburdoo and Wyloo West.
