## NOTICE

### **Western Power Invites Submissions on its Proposed Reference Service and Reference Tariff for Bi-directional Connection Points**

Western Power has invited submissions on its proposed reference service and reference tariff for bi-directional connection points.

The proposed reference service and reference tariff has been developed by Western Power in response to *Required Amendment 1* of the Authority's draft decision on Western Power's proposed access arrangement revisions. Information about the Authority's draft decision and assessment process can be obtained from the Authority's [web site](#).

Western Power advises that it is undertaking public consultation in respect of *Required Amendment 1* prior to making a formal submission to the Authority to ensure that the proposed reference service and reference tariff meets the needs of users and applicants.

Further details about Western Power's proposal can be found in [Western Power's notice](#).

The public is invited to make submissions to Western Power regarding the proposed reference service and reference tariff. Please direct all enquiries regarding this invitation for submissions to Western Power.

Additional information, including related documents, can be obtained from Western Power's web site: [www.westernpower.com.au/communitycomment](http://www.westernpower.com.au/communitycomment)

#### **Submissions**

Comments and submissions should be in either printed or electronic form, and should be received by Western Power no later than Friday 25 September 2009, addressed to:
