### GAS AND ELECTRICITY STANDARD FORM CONTRACTS

The Economic Regulation Authority is seeking public comment on proposed amendments to Alinta Sales Pty Ltd's standard form contracts for the supply of gas and electricity to small use customers.

The Authority requested that Alinta Sales Pty Ltd review its electricity and gas standard form contracts to ensure that they comply with the requirements of the new Australian Consumer Law as well as the current versions of the *Code of Conduct for the Supply of Electricity to Small Use Customers*, the *Gas Marketing Code of Conduct* and the *Compendium of Gas Customer Licence Obligations (Gas Customer Code)*. Alinta Sales Pty Ltd has completed its review and has requested that the Authority approve amendments to both of its standard form contracts.

Under the *Energy Coordination Act 1994* and *Electricity Industry Act 2004*, the Authority must not approve amendments to a standard form contract if it considers the amendments do not meet the relevant regulations, any other written law, or any term, condition or provision of the electricity retail licence.

A copy of the proposed amended [electricity Standard Form Contract](#) and [gas Standard Form Contract](#) are on the Authority's website.

Interested parties are invited to make submissions in print and electronic form by **4:00 pm (WST) on Friday, 5 August 2011**.

Submissions should be marked to the attention of Ms Lanie Chopping, Assistant Director Customer Protection.
