Wesfarmers Kleenheat Gas Pty Ltd

STANDARD FORM CONTRACT AMENDED

The Economic Regulation Authority today approved a minor amendment to Wesfarmers Kleenheat Gas Pty Ltd's standard form contract to supply gas to small use customers.

The amendment relates to an incorrect reference to the Economic Regulation Authority instead of the Minister of Energy in clause 6.3 in the previous version approved in August 2011.

A copy of the amended standard form contract is available on the Authority's [website](#).
