### Decision to grant additional electricity generation licence

The Economic Regulation Authority has granted electricity generation licence EGL33 to the Electricity Generation and Retail Corporation (trading as Synergy).

Synergy plans to build and operate the King Rocks Wind Farm, a 103 Megawatt wind farm located approximately 35 kilometres north-east of Hyden in the Shire of Kondinin.

The license is solely for electricity generation from King Rocks. All electricity produced will be supplied to Synergy's wholesale division for sale into the Wholesale Electricity Market.

On 18 February 2025, the ERA published the [licence application](#) for public comment. No submissions were received.

The [ERA decision](#), licence [EGL33](#), and licence area [plan](#) (map) are available on the ERA website.
