Metro Power Company Pty Ltd

Amendment to electricity retail licence ERL29

The Economic Regulation Authority has approved a minor amendment to electricity retail licence ERL29 to remove the licensee's business name, Wholesale Direct Electricity.

On 31 July 2026, the licensee requested the business name Wholesale Direct Electricity be removed from the licence. The registration of the business name ended on 26 September 2026.

The ERA considers the change to the licence to be a minor amendment that does not require public consultation.

The amended licence ERL29 is available on the ERA website.
