Dear Bronwyn Weir

### **Exemption Application – Binduli Lateral Pipeline (PL 137)**

Your application for an exemption under Part 23 of the *National Gas Rules*, as applied in Western Australia, for the Binduli Lateral Pipeline (PL137) has been assessed by the Economic Regulation Authority.

The ERA has decided to grant Category 2 and Category 3 exemption for the Binduli Lateral Pipeline. The exemptions are valid from 2 February 2026 to 31 December 2030.

The exemptions may be varied or revoked at any time, in accordance with provisions in the *National Gas Rules (WA)*.

APA, as the pipeline service provider, must still comply with all other provisions in the *National Gas Rules (WA)* not covered by these exemptions.

As required under Rule 585(8) of the *National Gas Rules (WA)*, please notify the ERA without delay if circumstances change such that the pipeline no longer qualifies for the exemptions granted.

The ERA is required to establish, publish and maintain a register of exemptions. Your application will be published on the ERA's [website](#).

Please contact Tyson Self on 08 6557 7900, if you have any questions on this matter.

Yours sincerely

[REDACTED]

Jenness Gardner  
**Chief Executive Officer**
