Southern Cross Energy Partnership

Amendments to electricity distribution licence EDL3

The Economic Regulation Authority has approved an amendment to TEC Desert Pty Ltd and TEC Desert No. 2 Pty Ltd's (trading as Southern Cross Energy Partnership) electricity distribution licence EDL3.

The amendment extends the boundary of EDL3 to enable Southern Cross Energy Partnership to expand its operations in the Goldfields region to facilitate the supply of electricity to the Mount Marion Lithium Mine and its associated infrastructure.

On 7 July 2026, the ERA published a summary of the licence amendment application for public comment. No submissions were received.

The ERA decision, amended licence EDL3 (version 12) and licence area plan (map) are available on the ERA website.
