Wesfarmers Kleenheat Gas Pty Ltd

2025 performance audit

The Economic Regulation Authority has published the 2025 performance audit report for [Kleenheat's](#) electricity retail licence ERL5.

Kleenheat retails electricity to contestable business customers on the South West Interconnected System. As at 30 June 2025, Kleenheat supplied nine customers.

The ERA's decision

As Kleenheat has achieved a good level of compliance with its licence, the ERA has decided to maintain the audit period at 48 months. The next audit will cover the period 1 July 2025 to 30 June 2029, with the report due to be provided by 31 October 2029.

Audit findings

The audit of the 227 licence obligations applicable to Kleenheat found four minor non-compliances.

As Kleenheat resolved the non-compliances during the audit period, the auditor did not make any recommendations, and a post-audit implementation plan was not required.
