## Western Power

### Amendment to electricity distribution licence

The Economic Regulation Authority has approved an amendment to the Electricity Networks Corporation's (trading as Western Power) electricity distribution licence ED1. The amendment is to extend the licence area to include a small area in the Mount Holland vicinity.

The licence area extension will accommodate a communication tower to connect the proposed King Rocks Wind Farm to the South West Interconnected System.

On 31 July 2025, the ERA published the [licence amendment application](#) for public comment. No submissions were received.

The ERA decision, amended EDL1 and map are available on the [ERA's website](#).
