## Wholesale Electricity Market Procedure Update: Portfolio Assessment

### Proposed changes

The Economic Regulation Authority (ERA) has published the proposed updates to the Wholesale Electricity Market (WEM) Procedure for Portfolio Assessment. Our proposed changes are intended to improve the clarity of the WEM Procedure, enhance compliance, streamline processes and centralise documentation.

We have published a version of the WEM Procedure with tracked changes, for ease of comparison for stakeholders. We have also published a Procedure Change Proposal Report that explains our proposals. Please also find our infographic published alongside the Procedure Change Proposal Report to more easily understand the key changes.

### Invitation for submissions

The ERA invites interested parties to make submissions on our proposed updates to the [WEM Procedure](#).

Submissions will close at 4:00pm (WST) on Thursday, 4 June 2026.

Submissions can be lodged online using the form on our [Current Consultation webpage](#).
